The Alumni of

THE COLLEGE OF THE HOLY CROSS

Present to

BRYAN J. DI MAR E ’06

THE

YOUNG ALUMNI

LEADERSHIP AWARD

In the six short years since his graduation from Holy Cross, Bryan J. DiMare has distinguished himself as a leader, creative thinker and vital member of the Holy Cross Alumni Association. A tireless advocate for Holy Cross and the Alumni Association, Bryan has been instrumental in launching activities to engage current students and recent graduates in Holy Cross activities and initiatives. He was the driving force behind the Alumni Association’s involvement in the Senior Reflection Luncheon, held during Commencement Week, as well as a leader in the establishment of a national “Holy Cross Cares Day” in 2011.

In addition to co-chairing the Young Alumni Committee, Bryan is a highly engaged member of the Executive, Nominations and Elections, and Homecoming Dinner committees. An effective communicator, Bryan is an ambassador within the Alumni Association: he demonstrates the relevance of the HCAA to younger graduates even as he helps older alumni determine the best ways to reach our newest members.

In recognition of his commitment to Holy Cross and the Alumni Association, we present Bryan J. DiMare ’06 with the Young Alumni Leadership Award on this day, September 21, 2012.
